I am Bishwajit, a passionate learner of exciting and ever evolving world of web technologies. I have gained experience in JavaScript, TypeScript, PHP, Python, Bash, React, Nextjs, Drupal, Tailwind CSS, Bootstrap, MySQL, Docker, AWS, Github and more during my study at Helsinki Business College, company collaboration and personal hobby projects. Currently, I am looking for an internship place to solidify and enhance my leanings and skills. I am thrilled at the prospect of learning from seasoned professionals and applying my skills in real-world projects.
