I'm Bishwajit, a passionate learner of exciting world of web development in Full Stack Web Developer Program at Business College Helsinki. I have gained experience in JavaScript, TypeScript, PHP, Python, Bash, React, Nextjs, Drupal, Tailwind CSS, Bootstrap, MySQL, Docker, AWS, Github and more during my study, company collaboration and personal hobby projects. Currently, I am looking for a internship place to solidify and enhance my leanings and skills. I am thrilled at the prospect of learning from seasoned professionals and applying my skills in real-world projects in a team environment.
